GRAY HAIR DARKIT'S GRANDMOTHER'S RECIPE
"TO BRING BACK COLOR
AND LUSTRE TO HAIR."That beautiful, even shade of dark
glossy hair can only be had by brew-
ing a mixture of Sage Tea and Sul-
phur. Your hair is your charm. It
fades, turns gray, streaked and looks
dry, wispy and shaggy just an appli-
cation or two of Sage and Sulphur
enhances its appearance a hundred-
fold.Don't bother to prepare the tonic;
you can get from any drug store a
50-cent bottle of "Wyeth's Sage and
Sulphur Compound," ready to use.
This can always be depended upon to
bring back the natural color,
thickness and lustre of your hair and
remove dandruff, stop scalp itching
and falling hair, taking one small
strand at a time; by morning the
gray hair has disappeared, and after
another application it becomes
beautifully dark and appears glossy,
lustrous and abundant.PORTLAND HOGS AT
\$6.25 FOR A SMALL
LOT; MARKET FAIR(Courtesy Thursday's Journal.)
PORTLAND, Ore.—The market for
livestock was generally quiet today at
North Portland with lower prices for
hogs, steadiness for cattle and
strength for mutton and lambs.Run of hogs was rather heavy over-
night and killers were inclined to
take hold slowly, especially as there
was further weakness and depression
in the eastern markets. Practically
all stockyard points east of the Rock-
lea this morning reported a lower
price range.Locally the market for swine start-
ed weak with a loss of 5c in initial
sales. The fact that 13 carloads are
due tonight, principally from Idaho,
had a quieting effect upon the trade
generally.General hog market:
Best light 6.25
Medium light 6.00
Good to heavy 5.80
Rough to heavy 5.50Mutton Market Strong.
Aside from the stuff that was
brought in by a killer himself, there
was only a handful of mutton and
lambs available for the market at
North Portland this morning. Gen-
eral trade conditions continue strong
with prices well maintained for all
offerings, quality considered.Eastern trade was inclined to show
a steady tone generally for mutton
and lambs this morning but in spots
the market was firmer and higher.General mutton and lamb prices:
Select interior lambs 7.25
Ordinary interior lambs 7.00
Williamette valley lambs 6.90
Select yearlings 6.25
Select ewes, light 5.35
Old ewes 5.00Cattle Run is Small.
There was another small run of cat-
tle in the yards overnight at North
Portland. No general change was
announced either in the situation or
prices.Top stuff continues to show
strength and Monday's values are
seemingly well maintained with ex-
treme top steers at 17 although noth-
ing has been offering since then to
bring that price.Eastern markets showed steadiness
for cattle generally at the opening of
the market this morning.General cattle market range:
Best hay fed steers 16.75
Good to choice 15.50
Ordinary to fair 15.00
Best cows 14.50
Good to prime 14.00
Select bulls 13.50
Fancy bulls 13.00
Ordinary bulls 12.50
Best calves 12.00

No man or woman who cuts most
regularly can make a mistake for
flushing the kidneys occasionally,
says a well-known authority. Meat
forms uric acid which clogs the kid-
ney pores so they sluggishly filter or
strain only part of the waste and poi-
sons from the blood, then you get
sick. Nearly all rheumatism, head-
aches, liver trouble, nervousness,
constipation, dizziness, sleeplessness,
bladder disorders come from slug-
gish kidneys.The moment you feel a dull ache
in the kidneys or your back hurts, or
if the urine is cloudy, offensive, full
of sediment, irregular of passage or
attended by a sensation of scalding,
get about four ounces of Jad Salts
from any reliable pharmacy and take
a tablespoonful in a glass of water
before breakfast for a few days and
your kidneys will then act fine. This
famous salts is made from the acid
of grapes and lemon juice, combined
with lithia and has been used for
generations to flush clogged kidneys,
and stimulate them to activity, also to
neutralize the acids in urine, so it no
longer causes irritation, thus ending
bladder disorders.Jad Salts is inexpensive and can-
not injure, makes a delightful effe-
rescent lithia-water drink which all
regular meat eaters should take now,
and then to keep the kidneys clean
and the blood pure, thereby avoiding
serious kidney complications.

of a plantation near Santa Cruz said
that an agitation being carried on by
a negro among the blacks of the is-
lands was becoming dangerous, and
that an uprising was imminent. The
manager requested the Danish gov-

as soon as possible. A later dispatch
from St. Thomas, D. W. I., said that
perfect quiet prevailed throughout
the island.

Deafness Cannot Be Cured

by local applications, as they cannot reach
the diseased portion of the ear. There is
only one way to cure deafness, and that is
by constitutional remedies. Deafness is
caused by an inflamed condition of the mu-
cous lining of the Eustachian tube. When
this tube is inflamed you have a rumbling
sound or imperfect hearing, and when it is
entirely closed, deafness is the result, and
unless the inflammation can be taken out
and this tube restored to its normal con-
dition, hearing will be destroyed forever; also
cases out of ten are caused by Catarrh,
which is nothing but an inflamed condition
of the mucous surfaces.We will give one Hundred Dollars for
any case of Deafness (caused by catarrh)
that cannot be cured by Hall's Catarrh
